DOCKET NO. D.T.E. 98-52

RESPONSE OF COMPLAINANTS TO MECO-1

MECO-1 Please provide the current construction procedures and specifications for each of the Complainants, including any construction manuals or standards books.

RESPONSE: With regard to attachments to utility poles, Complainants each generally adhere to the requirements imposed upon them under the terms of their pole attachment licenses with Massachusetts Electric Company.

Attached is information specific to the practices of Greater Media Cable, MediaOne, Time Warner Cable and Charter. The existence of information related to other Complainants is being determined and any such information will be provided as soon as practicable.

RESPONSE OF COMPLAINANTS TO MECO-2

MECO-2 Please state whether each of the Complainants adheres to the NESC regarding its own overhead plant (1) construction, (2) operations and (3) maintenance.

RESPONSE: Yes, it is the general practice of each of the Complainants to adhere to the NESC regarding its own overhead plant (1) construction, (2) operations and (3) maintenance. It is also the general practice of the Complainants to bring their facilities into compliance with the NESC if they discover any noncompliant situation or if a noncompliant situation is identified by the pole owner and corrective action requested.

RESPONSE OF COMPLAINANTS TO MECO-18

MECO-18 Please provide the most recent annual report of each Complainant.

RESPONSE: Attached are the following documents:

1997 Time Warner Annual Report to Shareholders

1997 U.S. West Form 10K, covering MediaOne

1997 Cablevision Systems Corporation and CSC Holdings, Inc. Form
10K,
covering the the Cablevision parties.

Greater Media Cable is privately held and does not have an annual report.

Responses relative to other Complainants are being prepared and will be
provided as soon as practicable.
